pl attach file

You may recall the case of the American citizen William Saenz, who fled Argentina after a night visit from the vigilantes.

The attached memo will remind you that we intended to make informal use of this case to point out to the GOA the problem it is causing itself. CONS has the full file. I assume Saenz is long gone by now - I do not have his number, which is in the file.

Should we or CONS take this up with someone at the FonMin?

Save. Good idea.
